

Special Events Internship – Spring 2020

Overview

The Special Events Intern will focus on completing projects and tasks that help engage people in the Komen Missouri mission through outstanding special events. The intern will work alongside Komen Missouri staff and volunteer committees to plan and execute a number of events including our signature fundraiser, the More Than Pink Walk and planning events around Breast Cancer Awareness month in October. This is an unpaid internship opportunity that offers valuable hands-on experience in event planning and management for a well-known nonprofit organization. Komen Missouri will gladly complete any necessary paperwork or reporting to ensure the intern receives course credit from his or her college or university. The intern reports to the Executive Director. Work hours are flexible based on the student's schedule and the school's requirements for credit completion.
