**SUSAN G. KOMEN® MISSOURI RESCHEDULES
2020 Greater St. Louis MORE THAN PINK Walk™**

ST. LOUIS, MO- MAY 14, 2020- Susan G. Komen Missouri has rescheduled the 2020 Greater St. Louis MORE THAN PINK Walk for Sunday, October 4. With the new date comes a new location, the Walk will be held in Tower Grove Park. Times of event are yet to be determined. Susan G. Komen Missouri thanks the community for their support during this challenging time.

Last year the Walk raised more than \$450,000 to aid the fight against breast cancer. The MORE THAN PINK Walk ensures participants understand the impact their support makes in the community and in achieving the Susan G. Komen mission.

“Unfortunately, the COVID-19 pandemic has led to the loss of jobs and health insurance coverage and created significant delays in mammography screening. This means even more people will need our help in the future. The MORE THAN PINK Walk provides an opportunity to intensify our efforts so we don’t lose ground in the battle against breast cancer.” said Komen Missouri Executive Director Suzanne Fontaine. “We’re excited and hopeful about this year’s event and encourage everyone to register and begin raising funds to end this devastating disease.”

“We look forward to seeing everyone walking on Sunday, October 4 for a day of inspiration and hope as we honor those we have lost, celebrate those who have survived and support everyone currently living with breast cancer,” added Fontaine. “Come walk with us!”
